Playskool® Adventure Travelin' Suitcase™ (Boys)

The Adventure Travelin' Suitcase™ is perfect for little travelers on the go. Open up the suitcase to find all kinds of travel accessories. Make calls on the run from a pretend cell phone. Try on the play sunglasses. There's even a working key to unlock the fold-down laptop computer and removable snack tray. Of course, don't forget your nametag, map, postcard and plane tickets!

Once you've finished packing, pull up the retractable handle and roll on to your next destination—just like an adult. The Adventure Travelin' Suitcase™ has everything little boys need for that next big trip.

Ages 2 & up

Batman™ Alliance of Fear

Once again danger looms over Gotham City. This time, The Joker™ and The Scarecrow™ have hatched a plan to perfect a mind-altering Fear Gas—then use it to take over the city.

Fortunately, Gotham City's citizens have Batman™ on their side. As a boy, the young Bruce Wayne vowed to wage war against even the worst criminals. As Batman™, his vow has become a quest to defeat a growing tide of crime spreading throughout the city. At his side is Batgirl™, known for her spectacular gymnastic ability and innovative detective work.

Can Batman™ and Batgirl™ overcome the so-called "Alliance of Fear"? Gotham City's very future depends on their heroics.

Ages 4 & up

Nerf® Mike Piazza Power Hitter™ Pitching Machine

You better be on your game! The Nerf® Mike Piazza Power Hitter™ Pitching Machine tosses soft, foam Nerf® balls at different speeds and angles. Choose from both fastballs and curves. And with the remote control foot pedal, you decide when you're ready for the next pitch. So get ready ... set ... swing for the fences!

Requires 4 D-cell batteries (not included). Some assembly required. Pitching machine comes with 6 Nerf® balls.

Nerf® Peyton Manning Vortex® Mega Howler™

It's a football with a twist. The Nerf® Peyton Manning Vortex® Mega Howler™ has an aerodynamic design that makes it fly incredibly far. You'll throw accurate spirals every time because this ball is designed for maximum balance. The quality construction means it's rugged enough for outdoor play—yet soft enough for easy catches. And just listen to it howl as it spirals through the air!
